PROFILE

A multidisciplinary designer, with adaptable skills to meet the requirements of any project, whether editorial, corporate, web or mobile services. As a front-end developer, my experience includes both small-scale and large-scale projects a professional adapting to any work situation.

WORK EXPERIENCE

Graphic designer/ front-end developer at Yoin

January 2012- December 2012 (*12 months*)

Yoin, set up last year and currently searching for investors, aims to be a micropayment application through mobile platforms, built entirely with web language. I was part of the design group, helping to create the graphic and development material and the one in charge of the front-end of the project.

Graphic and web designer at i2Factory (Huelva)

February 2011 - August 2011 (*7 months*)

My work, as a freelance, for this technology company involved the creation of graphic and interactive projects. Taking part in projects such as the creation of a mobile application for the Latin American Film Festival of Huelva.

Advertising department (as an intern) at Onda Local de Andalucía (O.L.A) (Sevilla)

July 2010 - September 2010 (*3 months*)

Internship in OLA (Onda Local de Andalucía) in the advertising department performing tasks concerning the design and development of campaigns.

Graphic designer and layout designer at Revista Sogel (Sevilla)

June 2010 - July 2010 (*2 months*)

I was in charge of the design and layout of the first issue of the women's magazine "Sogel". In my internship I carried on with the task assigned previously by that magazine and finished the entire publishing project.

Graphic designer and layout designer (as an intern) at Revista Sogel (Sevilla)

February 2010 - April 2010 (*3 months*)

Internship as a designer and layout designer for the magazine "Sogel", free magazine focused on women.

Photographer (as a intern) at EL Mundo (Huelva)

July 2009 - August 2009 *(2 months)*

Internship as a press photographer for El Mundo Huelva Noticias (a local newspaper).

Photographer at Agenda Cultural Live (Sevilla)

February 2008 - April 2008 *(3 months)*

Co-worker photographer at this entertainment guide.

Cameraman (as an intern) at Antena Huelva (Huelva)

April 2006 - June 2006 *(3 months)*

I carried out some of the practical work period of my degree at this local TV station, developing camera skills.

Lighting technician (as an intern) at Proinso (Huelva)

May 2005 - June de 2005 *(1 month)*

Internship for the Lighting technician course. The internship took place in the entertainment company "Proinso" as part of the team in charge of lighting.
